Modeling Rate Card

Includes Lingerie, sportswear, swimwear, formal wear, hosiery, glamour, pin-up, and editorial for still photography up to implied nudity with license to publish

These are my published rates. The actual fee we decide on may differ based on several factors including my availability, the talents and profile of the photographer, and my enthusiasm for the project or content you wish to shoot.

Hourly: \$75/hr, minimum 2 hours.

Half day: (4 hours on-site): \$250.00, at least one 20 minute break

Full day: (6 hours on-site): \$350.00 at least two 20 minute breaks

For topless/playboy style: +\$25.00/hr. +\$60.00 for 4 hours, +\$100.00 for 6 hours

For artistic/erotic nude: Negotiable depending on the project

Plus: Copies of all camera raw images recorded during the shoot shall be provided to me prior to my leaving the shoot. These copies are for archival purposes and on my own non-commercial printed or electronic professional portfolio(s) and on my social media, with credit to the photographer.

Hair/make-up/

wardrobe: I can do my own hair and make-up, but if you wish a particular hair style or specialized make-up I will have to include the cost of a MUA or stylist at \$75.00 each unless you will be providing them. I have wardrobe I can provide, including lingerie, club wear, sportswear, hosiery, swimwear, jeans, shorts, and dresses. Please indicate what you want to shoot and I can bring a variety of pieces of each type for you to select from. If you are supplying wardrobe for the shoot, my sizes are listed below.

Travel: For travel of between 50 and 100 miles, one way from La Mesa, CA, add \$30.00. If the location is between 100 and 150 miles, add \$60.00. Travel expenses are invoiced to be paid with booking deposit. (see below)
Travel in excess of 150 miles requires paid transportation and one night of accommodations at a hotel, arranged and paid in advance of the shoot.

Booking: To reserve consecutive days, you must book at least 14 days in advance to allow me to secure the time from my regular job. Rates may be lower for consecutive day bookings. It is suggested that you always book at least five days in advance to allow me time to prepare which may require a fresh manicure & pedicure and skin and hair treatments.

Deposit: A deposit equal to 25% of the basic hourly fee plus travel expenses as detailed above will be invoiced for payment to my Paypal account at the time of booking. If you elect not to follow through with the booking, your deposit may, at my discretion, be non-refundable. If I cancel the booking for any reason, your deposit will be refunded in full.

Payment of the balance of fees, including modeling fee and travel expenses, after any deposits received have been subtracted, are payable on the day of the shoot, before the photo session begins. On the first shoot, all fees are to be paid in cash, certified check, or directly to my Paypal account.

Security: For your safety and security as well as for my own, I ask that you provided the following information prior to the day of the shoot: The addresses of all location(s), call time and anticipated duration of the shoot, and the names of all persons who will be present on the set(s).

I require a photocopy of your drivers license be faxed or emailed to me before the day of the shoot. Personal information such as your address can be redacted but the photo, birthdate and DL number must be clear and legible.

I reserve the right to bring an escort of my choice to any shoot. The escort will not be a husband or boyfriend and will remain onsite, close enough to be available if needed but that person need not be present on the set during actual shooting. I understand and respect the need for the model and photographer to establish rapport, and that the working environment must be as free of distractions as possible.

I am very accommodating and easy going on the set but I do insist everyone on the set conduct themselves in a professional manner at all times. In the event of unprofessional or inappropriate behavior toward me by any person on the set, I reserve the right to terminate the session without refund to or recourse of the photographer or client. I love to have a good time on the set but in the end it's a workplace and as such, appropriate standards of workplace etiquette always apply.

Release: I require A model/photographer agreement or model release be signed by us both prior to any shoot for trade. The agreement establishes the allowable uses of photos recorded during a TF shoot. If you have a release, please send a copy before the date of the shoot. If you do not have a release, I will forward a copy of mine to you on request.

Right to refuse: I reserve the right to refuse any request to pose in a manner or portray an act I consider to be demeaning to myself or others, or that in my opinion violates basic tenants of decency in either a social or legal context. To avoid a potentially uncomfortable situation for us both, please be specific in our discussions concerning the content you wish to shoot.

I know some of my policies may seem a bit extreme but please understand, most models, at one time or another are contacted by persons who are not legitimate professionals and sometimes by misguided persons who are really seeking a date or services other than those offered by a commercial model.

Sometimes the interests of some of those who contact me may be other than professional in nature. There are some who consider an online model directory to be more of dating site than a professional resource. I have been "booked" for photo shoots where the other party actually considered the occasion to be a date. These occurrences waste my time and have actually cost me legitimate bookings and that is unacceptable to me.

If you are a professional, I'm sure you will have no problem with my policies. Also, I will look at your online portfolio with a critical eye and check your references. If you wish, I can provide you with references on request.

Thank you for your interest, I look forward to making beautiful images and exciting content together.
